Alison was a practicing attorney before being elected KY as the nation's youngest Secretary of State. And she won that race with about 60% of the vote. She is a no nonsense fighter for jobs, increasing the minimum wage, pay equity, expanding access to education, and voting rights.

*According to the Washington Post, the 2014 Kentucky Senate race is the best opportunity this year to defeat a Republican Senator. And in poll after poll, Alison is either leading or within the margin of error. **This is the biggest race of 2014**, we can beat Mitch McConnell, but Alison needs your support to win. Come meet Alison and see for yourself!*
