

Gift and Legacy Planning

You can make a lasting contribution to the preservation of the world's rainforests by naming RAN as a beneficiary in your will, or a recipient of a portion of your estate, or by establishing a charitable trust.

Bequests

RAN recommends the following language for use in wills, with four examples of bequest types.

"I hereby give, devise and bequeath to Rainforest Action Network, a non-profit corporation of the State of California, located at 221 Pine Street #500, San Francisco, CA 94104 USA:

Percentage

_____ % of my estate."

Specific

1. the sum of \$_____."
2. the shares of stock in _____ Company/Corporation."
3. my real property commonly known as_____."

Residual

all of the residue of my estate, including real and personal."

Contingent

(preceding the above paragraph) In the event of the death of any of my beneficiaries (followed with percentage, specific, or residual language above)"

Charitable Trusts

A variety of charitable trusts or "life income agreements" offer significant tax advantages, a regular income for you, and long-term support for RAN.
