## How to Help

### Easter Care Baskets

This Easter we would like to bless 30 families in need. Soups, pastas, rice, cereals & other non perishables are good. Money to buy eggs, bread, butter and milk is needed. Personal care products like toothbrushes, toothpaste (to combat all that Easter Candy!) shampoos etc are also helpful. We can also throw in some bags of candy if you would like too! **Donations should be in by April 12th.** If you or a group would like to help distribute or make these baskets on the 12th or 14th call or email. *Contact info at the bottom of the page.*

### Capital Campaign: Spring Work Teams

As we raise funds for our Capital Projects, also consider having a group from your church come and help get some of the work done! Schedule a Saturday for this Spring or Summer. Just call or email. *Contact info at the bottom of the page.*

### Don't leave without your blessing

Elisha was a powerhouse. When his predecessor, Elijah, left; he asked for a double portion, a great blessing, to continue the ministry in a land that continued to turn away from God (read all about God's power being displayed in 2 kings 2 onward).

Elijah had chosen Elisha to be his replacement in ministry as directed by God. Elisha took this seriously. He wouldn't leave his spiritual father's side until he heard his final request: A double portion of Elijah's spirit on him. He had a huge task ahead of him, ministering God's word to the the ungodly nation of Israel (split from Judah, if you're into Bible history). They didn't listen to his master, Elijah, wisely he asked for "double" *the spiritual chutzpah!*

God is amazing, he honored the request. Just because Elisha asked.

We serve the same God. We're asking him for "double" in our ministry too. I pray He honors this request.

Please take some time to consider the words from the Board of Directors in the attached letter. We'd like to chat with you about the ministry too! (Respond with your phone number on the contact slip.)
