### TEAMSTER WOMEN ORGANIZING FOR POWER!

The goal of the Washington Teamsters JC28 Women's Caucus is to be a positive, active Caucus within the Teamsters Union.

Our mission statement is, *"Teamsters uniting to enhance the quality of life in our community through education, support, and philanthropy."*

The JC28TWC was first formed in 2004. Although we have accomplished a lot in the past 7 years, we have been missing an important element - **YOU, THE RANK-AND-FILE TEAMSTER WOMAN.**

In order to make the Caucus more accessible, we will be holding future JC28TWC meetings at various locations across Washington State. Don't miss this chance to join hundreds of other Teamster women from around Washington State in making a difference.

For more information about how to get involved, contact [Evie Shannon](#) at 206-441-4860 ext. 1235.
