## Our Mission

*Passionately providing a voice to the membership, Teamsters Local Union No. 117 empowers and unites workers. With integrity and an unwavering dedication to economic and social justice, we organize, educate, and lead collective and political action to protect and expand the rights, wages and benefits of working families. This is your Union.*

## Our History

Teamsters Local 117 represents over 16,000 men and women at more than 200 employers throughout the Pacific Northwest. Members of Local 117 cover almost every profession imaginable. If you can think of a job, there is probably a Local 117 member performing it somewhere in our region.

Local 117 was first chartered by the International Brotherhood of Teamsters in 1936 and has grown to be the largest Teamsters Local Union in the region. We are a dynamic and diverse union dedicated to expanding the rights, wages and benefits of working families.

The strength of our union is in our membership. The active participation of the men and women in our union is instrumental in helping to achieve industry-leading contracts that ensure that our members' wages, hours, and working conditions are protected.
