

Teamsters Local 117

King County Legislative and Political Action Committee Meeting

This 2010 Election Cycle presents tremendous opportunities to elect champions for working families and defeat those who vote against the interests of our members. Please join us throughout June and July to learn about where candidates in your legislative district stand on:

Job Creation Protections for Injured Workers Public Safety Healthcare Retirement Security

With over 16,000 members statewide, our ability to impact the electoral landscape is huge and your knowledge and experience are the most powerful tools to hold policy makers accountable to the critical issues impacting our members. Please join us at a one of our upcoming Legislative and Political Action Committee meetings to find out how.

If you are able to attend or would like more information please contact Lily Wilson-Codega at (206) 794-2606 or lily.wilson-codega@teamsters117.org and we hope to see you there! You can also sign up for action alerts and find additional information on the website at www.teamsters117.org
