

MAKE A DONATION TO LOCK THE GATE

Lock the Gate is funded almost entirely by people like you - members of the community that are concerned about inappropriate coal and gas mining. We are an incredibly powerful force if we unite together, and the amazing success of our grassroots movement over the last three years has proven that we are on the right path.

HOW WILL YOUR GIFT BE USED?

Your financial contribution will go directly to the front line of people working to protect this amazing country from dangerous coal and gas expansions.

\$20 per month can support local communities to 'lock their gates'

\$30 per month can fund expert legal and scientific advice

\$50 per month can provide a voice for the bush in our major cities

BECOME A GATE KEEPER TODAY

Our Gate Keepers are the heart of Lock the Gate Alliance. Each one makes a monthly donation to LTG to help communities across Australia. They are the bedrock of everything we do, and critical to succeeding in our goal to protect Australia from reckless coal and unconventional gas mining.

Giving a monthly gift to LTG means we can plan our actions in advance giving us the firepower to meet the coal and gas companies head on. Our Gate Keeper program means we have the resources to act quickly when a new challenge arises.

As a Gate Keeper you are investing in the future of our country. You will be helping families and communities whose lives mining has disrupted and whose health is suffering as a result of dangerous air pollutants.

Become a Gate Keeper today and you can join us in the struggle to protect our water supplies, our food-producing lands and our natural areas from damaging coal and gas activities.
