

POVERTY COSTS

POVERTY COSTS IS A CAMPAIGN TO RAISE AWARENESS ABOUT THE COST OF POVERTY IN SASKATCHEWAN, AND TO MOBILIZE THE SASKATCHEWAN COMMUNITY TO CALL FOR A COMPREHENSIVE POVERTY REDUCTION PLAN.

OUR VALUES

We work **COLLABORATIVELY**. We recognize that meaningful outcomes are possible only through working together.

We are **NONPARTISAN**. Everyone can contribute to positive change.

We are **OPEN** about our agenda. We believe poverty reduction is possible and urgent.

We strive to generate both **AWARENESS AND ACTION** about poverty issues and solutions.

We value **EVIDENCE**. Decisions about poverty reduction must be based in evidence.

We believe in the power of **COMMUNITY**. We believe we have the knowledge, power and strength to build a healthy community for all.

We believe that the voice and experience of **PEOPLE WITH LIVED EXPERIENCE** is critical to making meaningful change.
