

Don't let Dominion destroy the beauty of our community.

Paid for by the All Pain No Gain Campaign

Say **NO** to the Atlantic Coast Pipeline.

Dominion's proposed Atlantic Coast Pipeline is **All Pain and No Gain** for western Virginia.

This pipeline will rip through some of the most beautiful land in the country, negatively impacting our community forever.

Dominion is taking a heavy-handed approach to this pipeline project, **ignoring the concerns of property owners** and filing lawsuits against homeowners who don't want to grant Dominion access to their land.

The Dominion pipeline will also have a **chilling effect on tourism**, hurting our local economy and killing jobs.

Experts warn that the Dominion pipeline will **compromise the safety and quality of our drinking water**.

And the potential for deadly pipeline explosions puts our entire community at risk.

Call Senators Tim Kaine and Mark Warner today at (202) 224-3121. Tell them to say **NO to Dominion.**
