Na	me:	: Co	urse: 	Date:			
3.	SE	SENSE OF PLACE					
	d.	. How does this article connect to part of the world? (See definiting		place' and impact the well being of your ace)			
	e.	Explain how this article makes	you feel and why	y you feel that way.			

"A sense of place is a unique collection of qualities and characteristics – visual, cultural, social, and environmental – that provide meaning to a location. Sense of place is what makes one city or town different from another, but sense of place is also what makes our physical surroundings worth caring about." Edward T. McMahon

Sense of Place definitions: People develop a "sense of place" through experience and knowledge of a particular area. A sense of place emerges through knowledge of the **history**, **geography** and **geolog**y of an area, its **flora and fauna**, the **legends** of a place, and a growing sense of the land and its **history** after living there for a time.
