INTRODUCTION

The Council on American-Islamic Relations (CAIR), the nation's largest Muslim civil rights and advocacy organization, has compiled a unique resource, our CAIR 2018 Midterm Election Congressional Scorecard, to help educate Muslim community members and allies as they plan to vote in the November 2018 Midterm Elections.

This scorecard reflects the voting performance of representatives from the U.S. Congress. The votes of each legislator have been rated positively (+) or negatively (-) depending on how closely their votes on relevant legislation corresponded with civil rights and social justice priorities identified by CAIR. The criteria selected for each topic is rooted in legislation introduced and voted upon in 2017-2018.

As the amount of legislation introduced in Congress is rather expansive, please note that elected officials should not be judged by these criteria alone. This scorecard is intended to provide a general profile that we hope will assist voters in better understanding the attitudes of elected officials towards key issues. A member of Congress' lack of cosponsorship does not necessarily indicate their position on a given bill. CAIR makes no claims as to the favorability of one candidate being elected over another. Therefore, we encourage readers of this guide to further research the actions of their local representatives before supporting any candidate.

The 2018 election cycle once again presents the American Muslim community with an important opportunity to increase its political capacity and presence. With large concentrations of Muslim voters in key swing states such as Michigan, Virginia, Florida, Arizona, Ohio, North Carolina, and across the nation, the American Muslim population has the potential to influence who will be the next president of the United States and determine the results of local, state and federal elections.

As a nonpartisan organization CAIR can encourage Muslims to participate in national and state elections, conduct voter registrations, training programs, issue briefings, candidate forums, volunteer in campaigns, and get-out-the-vote drives. Nonprofits cannot engage in political activities that support one candidate or party over another, but we are committed to making our community's voice heard.

Legislation of Interest to CAIR

LEGISLATION CALLING FOR STIGMATIZING ‘STRATEGIC ASSESSMENTS’ OF ISLAMIC DOCTRINE

H. AMDT. 185 to H.R. 2810 – ALSO KNOWN AS FRANKS OF ARIZONA AMENDMENT NO. 13 – STRATEGIC ASSESSMENTS OF THE USE OF VIOLENT OR UNORTHODOX ISLAMIC RELIGIOUS DOCTRINE TO SUPPORT EXTREMIST OR TERRORIST MESSAGING AND JUSTIFICATION.

ABOUT: Representative Trent Franks’ (R-Ariz.) Amendment No. 13 to H.R. 2810, the 2018 National Defense Authorization Act, would have required the Department of Defense to conduct two strategic assessments, one to be conducted by governmental persons and the other conducted by non-governmental persons, on the use of “Violent or Unorthodox Islam to Support Extremist or Terrorist Messaging.”

The majority of Congress joined with Muslim and civil liberties groups in opposing the amendment in a narrow vote of 208 “Yes” to 217 “No,” with 27 Republicans and 190 Democrats joining together to reject the motion because it unfairly targeted Islam. The amendment countered the fundamental American principle that the government should not have the authority to define what constitutes “unorthodox” religious practices. The amendment could have resulted in American Muslims being further targeted by bias and have mandated identification of key Islamic leaders that practice any form of Islam.

STATUS: Failed to pass the house on July 14, 2017.

CAIR POSITION: IN OPPOSITION TO THE MEASURE

LEGISLATION OPPOSING THE FIRST MUSLIM BAN EXECUTIVE ORDER

H.R. 724 - STATUE OF LIBERTY VALUES (SOLVE) ACT OF 2017

S. 1979 - A BILL TO BLOCK THE IMPLEMENTATION OF CERTAIN PRESIDENTIAL ACTIONS THAT RESTRICT INDIVIDUALS FROM CERTAIN COUNTRIES FROM ENTERING THE UNITED STATES.

ABOUT: Introduced by Rep. Zoe Lofgren (D-Calif.), H.R. 724 would have rescinded and defunded President Donald Trump's first "Muslim Ban" Executive Order 13769, "Protecting the Nation from Foreign Terrorist Entry into the United States," which banned refugees and travelers from seven Muslim-majority nations (Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen).

Introduced by Sen. Chris Murphy (D-Conn.), S. 1979 is like H.R. 724, as it would have rescinded and defunded President Donald Trump's first "Muslim Ban" Executive Order.

CAIR notes that several other pieces of congressional legislation in opposition to the first, second and third Muslim Ban executive orders were introduced and co-sponsored by many other members of Congress. CAIR chose to highlight the SOLVE Act and S. 1979 because it included the greatest number of co-sponsors.

STATUS: H.R. 724 was referred to the Committee on the Judiciary in addition to the Committees on Foreign Affairs, Homeland Security, and Intelligence (Permanent Select). S. 1979 was referred to the Committee on the Judiciary.

CAIR POSITION: IN SUPPORT OF THE MEASURES

GUN SAFETY REFORM

H.R. 2841 & S. 1324 - DISARM HATE ACT

ABOUT: Identical bills, H.R. 2841 and S. 1324 would ban gun sales to people who have been convicted of hate crimes or misdemeanors committed out of hatred of a person's race, religion, gender, sexual orientation, gender identity or disability.

The Disarm Hate Act addresses the loophole by amending the federal criminal code to include those convicted of a misdemeanor hate crime or an enhanced sentence crime because it was partially motivated by hate.

For an act to fall under this classification, it needs to involve the use of, attempted use, or the threat of using physical force or a weapon to inflict physical harm on a person based on the protected classification identities.

STATUS: H.R. 2841 was referred to the Committee on the Judiciary's Subcommittee on Crime, Terrorism, Homeland Security, and Investigations. S. 1324 was referred to the Committee on the Judiciary.

CAIR POSITION: IN SUPPORT OF THE MEASURES

PROHIBITING LAW ENFORCEMENT RACIAL AND RELIGIOUS PROFILING

H.R. 1498 - END RACIAL PROFILING ACT OF 2017

S. 411 - END RACIAL AND RELIGIOUS PROFILING ACT OF 2017 (OR ERRPA)

ABOUT: H.R. 1498 and S. 411 prohibit racial and religious profiling by a federal, state, local, or tribal law enforcement agency or agent. The acts empower the Department of Justice (DOJ), or an individual injured by racial profiling, to bring a civil action to enforce the prohibition. They require federal law enforcement agencies to maintain policies and procedures to eliminate racial profiling, including training on racial profiling issues, the collection of data, and procedures for handling complaints.

Among its many statutory requirements, the act requires state or local governments that receive certain federal funds to maintain policies and procedures to eliminate racial profiling, including training on racial profiling issues, the collection of data, and participation in an administrative complaint procedure or independent audit program. DOJ must withhold or reduce grant funds from a state or unit of local government that fails to comply.

STATUS: H.R. 1498 was referred to the Committee on the Judiciary's Subcommittee on Crime, Terrorism, Homeland Security, and Investigations and Subcommittee on the Constitution and Civil Justice. S. 411 was referred to the Committee on the Judiciary.

CAIR POSITION: IN SUPPORT OF THE MEASURES

LEGISLATION PROHIBITING BOYCOTTS AND FREE SPEECH

H.R. 1697 & S. 720 - ISRAEL ANTI-BOYCOTT ACT

ABOUT: Introduced by Reps. Juan Vargas (D-Calif.), Lee Zeldin (R-N.Y.) and Brad Sherman (D-Calif.) and Sens. Ben Cardin (D-Md.) and Rob Portman (R-Ohio), the Israel Anti-Boycott Act is unconstitutional and violates the free speech rights of all Americans.

The act would criminalize American business owners and individuals supporting any international boycott directed by the United Nations, the European Union or any other international governmental organization that is aimed at Israel's illegal occupation of Palestine territories with criminal financial penalties.

CAIR believes that the legislation's purpose is to intimidate Americans from supporting the Boycott, Divestment, and Sanctions (BDS) campaign that defends the human rights of Palestinians. BDS is the same peaceful method of political activism has been used to challenge injustice in America and worldwide, including against one of the greatest forms of injustice in our time - apartheid. Americans have engaged in political boycotts since the nation's founding. The colonial American boycott of British tea imports and the Montgomery Bus Boycott during the civil rights era are examples of historic American boycotts.

STATUS: On June 28, 2018, H.R. 1697 was unanimously approved by the House Foreign Affairs Committee. S. 720 was referred to the Committee on Banking, Housing, and Urban Affairs.

CREATING A PATHWAY TO CITIZENSHIP FOR DREAMERS

H.R. 3440 & S. 1615 - DREAM ACT OF 2017

ABOUT: The Dream Act of 2017 provides a pathway for the 800,000 undocumented youth, commonly referred to as "Dreamers," brought to the United States as children to become permanent residents and to eventually apply for citizenship.

Specifically, the bill directs the DHS to cancel removal and grant lawful permanent resident status on a conditional basis to Dreamers who: (1) have been continuously physically present in the U.S. for four years preceding this bill's enactment; (2) were younger than 18 years of age on the initial date of U.S. entry; (3) is not inadmissible on criminal, security, terrorism, or other grounds; (4) have not participated in persecution; (5) have not been convicted of specified federal or state offenses; and (6) have fulfilled specified educational requirements.

DHS would also cancel the removal of, and adjust to the status of any Dreamer admitted for permanent residence on a conditional basis, as well as Dreamers who were granted Deferred Action for Childhood Arrivals (DACA) status unless they engaged in conduct that would make them ineligible for DACA.

STATUS: H.R. 3440 was referred to the Committee on the Judiciary's Subcommittee on Immigration and Border Security, and in addition to the Committee on Education and the Workforce. S. 1615 was referred to the Committee on the Judiciary.

SANCTIONING BURMA FOR GENOCIDE OF ROHINGYA MUSLIMS

H. AMDT. 651 TO H.R. 5515 - ALSO KNOWN AS ENGEL OF NEW YORK AMENDMENT NO. 43 - MATTERS RELATING TO BURMA

ABOUT: Representative Eliot L. Engel's (D-N.Y.) Amendment No. 43 authorizes financial and visa sanctions against perpetrators of ethnic cleansing of the Rohingya by the Burmese military and security forces; limits U.S. military and security assistance with Burma until reforms take place; incentivizes reform of the Burmese gemstone sector; and requires a determination of what crimes the Burmese military committed, including genocide. The amendment is similar in nature to Rep. Engel's H.R.5819 - BURMA Act of 2018.

S. 2060 - BURMA HUMAN RIGHTS AND FREEDOM ACT OF 2018

ABOUT: Originally introduced by the late Sen. John McCain (R-Ariz.), S. 2060 contains many similar provisions to Rep. Engel's measures on Burma. Additionally, the measure would appropriate \$103,695,069 for fiscal year 2018 for humanitarian assistance to Burma, Bangladesh, and the region; appropriate \$27,400,000 for fiscal year 2018 for reconciliation programs in Burma, and reinstate U.S. import restrictions on jadeite from Burma.

STATUS: H. AMDT. 651 to H.R. 5515 was approved by the U.S. House of Representatives by a vote of 382 to 30 and amended to the House version of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (H.R.5515). However, the amendment, was opposed by Republican Senate Majority Leader Mitch McConnell and was stripped from the final version of the NDAA. While S. 2060 was amended and approved by Senator Bib Corker (R-KY), it cannot proceed any further because of Senate Leader McConnell's opposition.
