## **Cheveldayoff Pledges Support for Meewasin Valley Authority**

“If elected, I would ensure current Meewasin Valley Authority (MVA) funding is maintained by the Government of Saskatchewan,” said Saskatchewan Party Leadership Candidate Ken Cheveldayoff.

Based on a solid business plan that shows the MVA generating self-sustaining funds and a long-term plan for moving away from needing government support indefinitely, Cheveldayoff supports funding for the 2018-2019 fiscal year.

Cheveldayoff credits Saskatchewan Party MLA David Buckingham for his extensive work with the MVA and his contribution to creating a plan that is both sustainable and responsible to taxpayers in the long run.
