Telekinesis at 2016 KEXP Rocks the Dock

Join Friends of Waterfront Seattle this summer for free community events for all ages at Waterfront Park at Pier 58! Friends is the non-profit partner to the City of Seattle created to ensure the success of the future 26-block waterfront park. The community has seized this once-in-a-century opportunity to shape our central shoreline for the benefit of people and nature. Our mission is to support the creation of a public mixing ground where all communities can share cultural, recreational, and civic experiences in a beautiful environment.

Hot Spot is a pilot program created by Friends that is enhancing Seattle's central waterfront now with activities that provide a preview of our urban shoreline's future as a vibrant park for all to enjoy. **Hot Spot brings a dynamic mix of live music, performance, sports and more to existing Waterfront Park over the weekends July - September.**
