

## 2018 Infrastructure Sustainability Annual Conference & Gala Awards

16-18 October

*Accelerating positive change for people and planet*

Thank you for registering for our Annual Conference. This 3-day conference is intended to explore recent trends and emerging topics in Australasia's infrastructure; to interact, discuss and dissect details of current sustainable projects; to facilitate networking between the infrastructure sustainability community; and to create an environment for learning, inspiration and knowledge sharing.

Your registration includes all sessions, networking drinks, site tour and Gala Awards Dinner.

We look forward to welcoming you to ISCA 2018!
