

ON OCTOBER 27TH, VOTE TO INVEST IN OUR ENVIRONMENT

Imagine putting off investing in your child's education, home repairs or your retirement.

Unfortunately, City Hall keeps putting off investing in our environment, even though these investments are key to a good quality of life and economic prosperity, now and in the future.

It's time City Hall invested in our environment to avoid the ever-growing costs of doing nothing. **The Toronto Environmental Alliance (TEA)** has a plan. It's called the **Green Action Agenda** and it will:

- ✓ IMPROVE THE TTC
- ✓ IMPROVE AIR QUALITY
- ✓ PREPARE FOR SEVERE WEATHER
- ✓ REDUCE WASTE
- ✓ DETOX TORONTO

NOW IT'S TIME FOR CANDIDATES TO SAY YES TO INVESTING IN OUR ENVIRONMENT!

What You Can Do:

1. Learn more about the Green Action Agenda at torontoenvironment.org/vote2014
2. Tell your Candidate to Support TEA's Green Action Agenda.
3. Contact us to learn more about what you can do to help. (416-596-0660; tea@torontoenvironment.org).

ENVIRO REPORT CARD

2010-14

TEA chose 31 important votes on the environment that took place during City Council's last term. We determined who voted for and against the environment. Below are the scores your Councillor received.
