

DON'T FRACK

LANCS

Demo - 23rd June

Join our rally to stop fracking. June 23 (5-7pm) at Lancashire County Hall

Let's keep Lancashire frack free!

- > Lancashire County Council is about to say **Yes** or **No** to fracking. Join thousands of others outside the council **June 23** the day before they decide. You can stop fracking.
- > This would be the first fracking in the UK in over 4 years. Fracking has been halted in Scotland and Wales following concerns about health, environment and climate risks - don't let Lancashire be Cuadrilla's fracking guinea pig.
