

WORKERS' MEMORIAL DAY ♦ 28TH APRIL Remember the Dead: Fight for the living

Union workplaces are safer workplaces!

International Workers Memorial Day 28 April 2014

“WE LOVE RED TAPE – it’s better than bloody bandages!”

NOT DEREGULATION!

Join us in Albert Square, Manchester
11.30am Monday 28 April 2014
International Workers Memorial Day

We love health and safety Red Tape because law & enforcement, plus trade union safety reps, mean people we love come home from work safe and well. We reject deregulation demanded by business and government as it leads to more bloody bandages.

Speakers from: Trade Unions, Families Against Corporate Killers, GM Asbestos Victims Support Group, young workers. Minutes silence, laying of wreaths. Short play: Demented deregulatory daleks defeated by collective action! Shout out for safety:

“We love Red Tape not bloody bandages!”
