

# Preston Workers' Memorial Day Commemoration 2013

348 people died in the workplace  
over the last two years

More than 111,000 employees  
were injured at work in 2011/12

More than 10,000 people die each year from  
workplace related illness and disease

Over 22 million days are  
lost to work related ill-health

Defend health and safety from the attacks  
on regulation, enforcement and cuts

**Workplace deaths and injuries  
shatter lives and ruin families**

**Saturday 27th April from 11:30am  
on Preston Flag Market**

**WORKERS' MEMORIAL DAY** Remember the Dead: Fight for the living
