TRADE UNION FREEDOM

Evening Rally – Free Entry
Wednesday, 25th March 6.00 pm – 8.00 pm
Adelphi Hotel, Ranelagh Place, Liverpool L3 5UL

DEFEATING AUSTERITY, FREE TRADE DEALS AND ATTACKS ON TRADE UNION RIGHTS

As we hurtle towards the general election two things are clear – austerity must go and so must this Coalition government. But what will replace them? We don't want austerity lite. Nor do we want a shadow of the current coalition. And we don't want secretive free trade deals that bind us to policies democratically rejected by voters. Trade unions are traditionally at the forefront of these demands – which is why they are repeatedly under attack.

We want politicians who inspire and policies that work for the people. We want an end to attacks on trade unions and their members. Join the rally and show your support. Another world is possible.
