

## FAITH | ENVIRONMENT

### **Environmental Prayer**

by Carlos J. Correa Bernier, Minister for Environmental Justice, United Church of Christ

Gracious God, your amazing love extends through time and space, to all parts of your creation, which you created and called good. Your covenant with the human family is remembered in every rainbow in the sky, symbolizing your promise of love and blessing to every living creature, and to all successive generations. In Jesus, you invite us to enter into a new covenant, in communion with all who seek to be faithful to you and to do justice. As people of faith, we are called into covenant. Your covenant of faithfulness and love extends to the whole creation. Today we pray for the healing of our planet that present and future generations may enjoy the fruits of creation, and continue to glorify and praise you.
