Suggestions for Congregational Use

And Indeed it is Very Good

A Pastoral Letter on Faith and Environment:
Living in Community with God's Creation

1. Read the pastoral letter & hold a study session

Use the Faith Sharing Guide for adult education, a one session study with ideas for follow up projects, including study and worship resources <www.ucc.org/earthcare>.

2. Blog at the UC News Blogspot:

Network and share success stories from your congregation, association, and conference on the UCC forums at <www.uccforums.com>, and read the latest blog on the pastoral letter at <unitedchurchofchrist.blogspot.com>.

3. Earth Day & Greening Worship Resources

Use the worship resources at <www.ucc.org/earthcare>, plus check out these additional Worship Ways resources:

- *Green Communion Prayer for Ordinary Time*
- *Green Prayers from the Northern Plains July Sundays, 2008*
- *Green Collect for Ordinary Time*
- *Green Service of the Word for Ordinary Time*
- *Green Ritual of Passing the Peace for Ordinary Time*
- *Green Litany for the City August 24, 2008*

4. Ongoing Church Study and Faith Action:

In addition to the study resources at <www.ucc.org/earthcare>, find additional information and links there, including the Interfaith Power and Light site and the National and World Councils of Churches sites.
