HIV Prevention in the U.S.: At a Critical Crossroads:

http://www.cdc.gov/hiv/resources/reports/hiv_prev_us.htm

This report discusses the status of HIV Prevention in the United States, how HIV Prevention works and which factors will determine the future course of the U.S. HIV epidemic. The report also highlights the estimated number of new HIV infections and persons living with AIDS and the estimated number of new HIV infections for most affected U.S. subpopulations.

Balm in Gilead: <http://www.balmingilead.org/index.html>

This is a non-profit, non-governmental organization whose mission is to improve the health status of people of the African Diaspora by bringing awareness to HIV/AIDS.
