

# CV – Fredric Ollerstam

---

Fredric (40 yrs) has been active as producer and project manager within Film, IT/Media for more than 16 years. His knowledge within both film and business is extensive and in conjunction with his creative mind, go-getter attitude makes him a strong team member.

As a pioneer within multimedia and his deep understanding how things work both online and offline. An ability most appreciated today.

At the moment Fredric also the producer of PingPongFilms two upcoming feature films "Headchopper" and "LFO".

Since 2011, Fredric has been active as Local Swedish producer for the project One Day On Earth-project in collaboration with UN, Red Cross, WWF and other NGOs. The ODOE-documentary will be the first film in history to have a global premier in every country on our planet.

Fredric made his directorial debut with documentary "Maria and her shadow" - produced by WG-Film, Sweden.
