Dear supporter of Step-Up!

We wanted to update you on what’s happening with the Step-Up Film Initiative.

Thanks to the very generous support of more than 100 individual donors and our corporate sponsors Crowe Horwath and Blue Rocket Productions, $23,000 was raised for the Step-Up Film Initiative. Although falling a little short of our $30,000 target, Wide Angle Tasmania will be selecting two filmmaking teams for this incredible opportunity.

We were excited to launched the call for applications to Step-Up 2015 late last week. Applications are due Sept 25 and once they have been received, we’ll be inviting you to help us select our two teams.

We’ll be sharing each of the story synopses that are submitted and you’ll be able to cast your vote for the film that you think should be made. Your vote will be combined with the votes of all our donors – and will be in the mix with our industry panel to select the two teams for support in 2015.

We’re very grateful also to Creative Partnerships Australia who matched the funds you contributed – these funds will help WAT to continue our work supporting early career screen practitioners in 2016.

Thanks again and we’ll be in touch towards the end of September with information about how to cast your vote!

With gratitude
Abi Binning, General Manager of Wide Angle Tasmania

We are incredibly grateful to our sponsors:
