Hi ,

We've been blown away yet again by the generosity of Tassie crew and cast - and the incredible talent we've seen during the Raw Nerve productions this year. They are now heading into post and we're gearing up for a launch in Jan.

We have some great free screenings on offer - check out below for an offer for WAT members from MONA and our Flickerkids screening during the holidays, supported by Hobart City Council.

We've decided to postpone Freelancer Friday drinks that were planned for tonight. It's been a busy networking time with Creative Industry events and the get-togethers continue with BOFA hosting drinks this week.

If you haven't caught the online eps of [NoirHouse](#), be sure to check it out!.

We hope to see you at the [National Pitch Competition](#) or the [Film Genre Hothouse for 12-16 year olds](#). Check out our [website](#) for more info
