

# Ron Hardy for Wisconsin State Treasurer

My name is Ron Hardy and I'm a librarian and Winnebago County Supervisor. If you elect me as State Treasurer, I will:

- Be an **independent watchdog** over the people's money and **audit our state's finances** to root out waste, fraud, and mismanagement
- Support a **publicly-owned State Bank of Wisconsin** to keep our money here in Wisconsin, out of the hands of "too big to fail" Wall Street banks
- Support a **\$15/hour living wage** for our minimum wage, so that no one who works lives in poverty
- Support **marijuana legalization**, regulation and taxation in Wisconsin
