WIND ENERGY FORUM

Thursday, July 9

5 p.m. to 8:30 p.m.

**Wanamingo Community Center
401 Main St., Wanamingo**

Forum highlights include:

- Community wind economics
- Business models and finance
- Lands leases and other legal concerns
- Siting and permitting
- Environmental and health considerations
- Wind energy case studies

Panelists include Charlie Daum, Geronimo Wind; Mark Rathbun, Great River Energy; Pat Louwagie, Hoffman & Brobst; John Schladweiler, Minnesota Dept. of Natural Resources (DNR); Carl Herbrandson, Minnesota Dept. of Health; Chuck Burdick and Tiff Thompson, National Wind; and Ron Peterson, Westwood Professional Services. Additional panelists and presenters are pending.

Everyone is welcome at no charge.
A light meal will be provided at no charge.

REDI is administered by the Southwest Initiative Foundation and is sponsored by the State of Minnesota and the Center for Rural Policy and Development.
