## **State Representative Evan Goyke Congratulates Wisconsin LGBT Chamber of Commerce on 100th Member and One-Year Anniversary**

MADISON – State Representative Evan Goyke (D-Milwaukee) issued the following statement congratulating the Wisconsin LGBT Chamber of Commerce on their addition of MillerCoors as their 100th member on their one-year anniversary:

“I want to congratulate the Wisconsin LGBT Chamber of Commerce on their tremendous success this past year, and I am proud that MillerCoors, whose home is in the 18th Assembly District, is the Chamber’s 100th member on their one-year anniversary today.”

“The Chamber’s growth and success as an organization shows that businesses all across the state are embracing equality and inclusivity in the workplace. Their goal of promoting economic opportunity for the LGBT community, and all people, is one that I share. I look forward to continuing to work with the Chamber and their members to create economic opportunity and jobs in the 18th Assembly District, Milwaukee, and across Wisconsin.”
