Sponsorship Opportunities

Can a party help dramatically increase the number of women in elected office? It can when it's hosted by Women's Campaign Fund!

We hope that you will join us for a rooftop celebration where we will gather 300 of our closest friends, including WCF women-in-office and candidates; political, corporate, and community leaders; and our allies committed to dramatically increasing the number of women in elected office.

We are pleased to offer a VIP reception from 5:30-6:30. Join members of Congress, members of WCF's National Board of Directors and key supporters for this exclusive event.

Enclosed, please find opportunities to sponsor our annual event on October 2nd in Washington, DC. The evening will feature a rooftop cocktail reception, live music, and women in office and candidates.

As the nation's first organization to financially support women candidates, we invest funds raised from this event to support women of all parties and across all levels win positions of public leadership. Why? Because 50% of the population won't settle for 18%.

We would like to invite you to show your support of women in office as a sponsor of this powerful evening.

Your event sponsorship is deeply appreciated.
