20 IS PLENTY
Council agrees to look into working group's request

Chloe Modell

A WORKING group will be set up to look into the possibility of implementing a
20 mph speed limit across town.

Members of the Thorneymead Homes
Resident’s Association have agreed to the request on the back of a Promise, a
series of meetings with councillors as part of
their Plenty campaign.

The campaign, set up last year
after a consultation found 80 per cent of local
residents in favour of 20mph zones, was
launched by councillor Tim Storer who also
said the idea had been supported by
 canvassers.

Opposed

Mr Storer told the Times yesterday
(Calmer) Thursday) that the Plenty
for Faversham Society, the local Plenty
for Faversham campaign. Local
people have been behind the idea
for some time

"The results demonstrated
that it can be achieved when people
perceive the need and are willing to
consult and work towards it."

"As a next step, we need to convince

20’S PLENTY FOR FAVERSHAM GAINS UNANIMOUS SUPPORT FOR ITS RECOMMENDATIONS TO THE SWALE JOINT TRANSPORTATION BOARD, 19TH DECEMBER 2016

Yesterday evening the 20’s Plenty for Faversham working group gained the full support of Swale’s Joint Transportation Board in moving Faversham towards a 20mph limit.

The board congratulated us on the quality of our report and voted to unanimously accept our 6 key recommendations.

Notes from the meeting:
Dropped by the 20’s Plenty team in Faversham Market Place today - good to see 100% ‘yes’ response from the town and lots of people picking up car and bin stickers. Well done to the @20sPlentyFav team!
