

20's Plenty Campaigning E-News Update Nov 2021

Wow...so much has happened. ...Oxfordshire commits to 20mph on 85% of its roads...Hampshire announces review of its 20mph policy...Renfrewshire's 20mph advisory limits become mandatory...Southampton making 20mph easier...19 new campaigns in the last month.

NEWS UPDATE

-  **Oxfordshire** announced a default 20mph policy on up to 85% of its currently 30mph roads. A massive win for Jean Conway (the 20's Plenty county lead and her team! [BBC report](#)).
-  Just 6 weeks after Hannah Greenberg started a **Hampshire** county campaign, the council's deputy leader has committed to reviewing its 20mph policy (1 hr 47 minutes in on [this video](#)).
-  **Renfrewshire** agreed all its 20mph advisory limits would become mandatory - news [here](#).
-  **Southampton** is making [20mph easier](#).
-  **Cornwall** has asked Rod King about exceptions formulas which implies a county wide policy
-  **Belfast City Council** passed a resolution calling on the Minister for Infrastructure in Northern Ireland to look into setting a city-wide 20mph limit.
-  In **County Durham**, the cabinet member has asked for a presentation on 20mph to the cabinet.
-  With **20 new campaigns in the last month**, we are up to 88 new campaigns in 2021 – can we make it to 100 by the end of 2021. We now have nearly 550 * 20s Plenty campaigns!
-  In Kingston south-west London, Kingston Town Neighbourhood Committee voted to introduce 20mph on almost all of its roads including the main roads around the town centre. This follows Surbiton Neighbourhood Committee which recently voted to make all of its roads 20mph.
-  N Yorkshire has Police elections on 25 Nov - two candidates came to 20mph hustings and want 20mph- Labour and Independent. 33 Parishes are on board.
-  **New research on Tweeting** shows positive message about 20mph - <https://bmcpublichealth.biomedcentral.com/articles/10.1186/s12889-021-12084-x>
"Positive tweets far exceeded negative tweets; very little opposition among Twitter users was observed. The main implication is that **policymakers should be less concerned about potential public backlash** when considering the scale-up of 20mph speed restrictions."

POSTSCRIPT

We work collaboratively for 20mph to become normal – the default speed limit – for streets where people live, work, shop, play and learn. Please help get 20mph for your place, like the 28 million people who already live where 20mph is agreed. Where you are could be next. We'll help you to persevere and get the 20mph win you deserve!

Ask us questions anytime. Thanks for all you do.

Best wishes
