She then asked what we thought the political and organizational issues for the 34th should be during 2015: responses given included: get PCO's prepared for doorbelling, bring more diversity awareness and broader age representation, learn from other successful districts, have speakers at meetings, put out press releases, have discussions related to values, and others.

Lori then related the duties that must get performed by others in the district in order for the District to be successful and asked for volunteers for these functions: the volunteers and functions were
