

SUSTAINABLE FAIRFAX FILM & SPEAKER SERIES

Environmental Forum of Marin and Sustainable Fairfax present...

Through the eyes of chef-heroes like Bourdain, Dan Barber, Mario Batali, Massimo Bottura, and Danny Bowien, see how the world's most influential chefs make the most of every kind of food, transforming what most people consider scraps into incredible dishes that create a more secure food system.

See how food waste directly contributes to climate change and how each of us can make small changes – all of them delicious – to solve one of the greatest problems of the 21st Century.
