For any yes/no questions you answered "qualified" please explain:

Q16

Please describe your background (education, employment, community and civic activity, labor union affiliation etc.)

Inglemoor HS '87, BA UW '91, MFA Cornell '95; JD UW '99. Job: Public Defender, Snohomish County Public Defender Association; practicing attorney for 21 years; represented fire and utility districts. Served as President Northshore Rotary, served Cascadia Community College Foundation, current Board member Northshore Parks and Recreation Service Area (Northshore Senior Center, helped pass 4.7 million dollar levy).

Q17

Please describe your history of involvement (if any), with particular emphasis on the last five years, in local, regional, and/or state politics.

Kenmore City Council, Position 2, 2017 - present. Helped flip city council to Democratic majority. In subsequent election, asked two Democratic women to run for city council, raised funds for them, and they won, charting a Progressive future for the City. First City Pride Proclamation and Flag, DEI program, anti-racism training, Acknowledgment of Native American Lands, Climate Action Plan. Salmon-friendly replacement of our aging bridge, Target Zero sidewalk construction and improvements; mobile home park preservation ordinance, road surfacing and traffic control improvements, Kenmore downtown core business development, new crew house, park improvements and preservation.

Q18

Please describe the progress of your campaign and goals. How do you plan to win?

The Campaign is just beginning and I plan to win by calling Kenmore residents to action for a more progressive future.

Q19

What issues do you think deserve more attention from media or elected officials? How would you seek to remedy that through your campaign or when elected?

Elected officials must keep the focus on diversity, equity and inclusion. I will vigorously advocate to keep Kenmore moving in a Progressive direction. We also need to protect Kenmore's tree canopy, woodlands, wetlands and streams, and I will advocate for a greener look at our Comprehensive Plan.

Q20

How do you plan to involve all residents and engage all communities in the decision making process? How would you work with people who lack trust in our institutions?

By vigorous outreach, listening and acting on what residents tell us, and keeping public commentary periods during city meetings available for virtual comments from citizens. For those who lack trust, I would listen to them and seek to involve them in governance and decision making.

Q21

COVID has increased existing inequities. How will you use your office to support the most vulnerable? How would you promote an equitable recovery and create opportunity for all?

I will advocate to continue the eviction moratorium as long as the public health community advises it, and distribute federal COVID relief money to needy individuals and small businesses.

Q22

If elected, how will you use your position to address racial inequality, and advance an anti-racist agenda? How specifically would you support the Black Lives Matter movement?

If re-elected I will advocate that Kenmore continue its DEI and anti-racist training, continue the Obama Plan regarding police accountability, and further efforts to fund a public pool like we used to have, so that all local kids can learn to swim at little or no cost. I would support Black Lives Matter by inviting BLM to speak at city hall and keep up our Proclamations respecting diversity.

Q35

Our region is growing quickly. How will you ensure that existing residents and newcomers alike have equitable access to affordable housing, public transit, and neighborhood amenities such as parks and schools? How will you protect current residents, and especially our most vulnerable communities, from displacement caused by this growth? How will you provide for and protect those displaced?

I was the sole no vote against our mobile home park ordinance because it protected the mainly Latino-populated mobile home park less than the mainly white-occupied parks (this was before I asked my two friends to run for council). I will continue to fight for racial and class equity.
