SIXTH STREET VIADUCT REPLACEMENT PROJECT
CONSTRUCTION NOTICE

WHAT: As part of the City of Los Angeles’ Sixth Street Viaduct Replacement Project, our contractor, Skanska, Stacy-Witbeck, will remove eight (8) buildings near the project site.

WHEN: Removal of buildings will take place Monday, August 17, 2015 through Friday, December 4, 2015

WORK HOURS: Monday through Friday, 7:00 a.m. to 3:30 p.m.

BUILDING LOCATIONS:
- 567 S. Mission Road
- 631 S. Anderson Street
- 589 S. Santa Fe Avenue
- 1435 E. 6th Street
- 1425 E. 6th Street
- 1415 E. 6th Street
- 637 S. Clarence Street
- 653 S. Clarence Street

WORK DESCRIPTION: Signage will be posted at each location prior to demolition. Building demolition will require the use of heavy equipment including, excavators and dump trucks. Dust will be mitigated by the use of a water truck and street sweeper. Abatement of all materials will be performed in accordance with federal, state and local regulations.

ADVISORIES:
- Directional signage and/or flagmen will be used to safely direct vehicles and pedestrians around the construction zone.
- Local access to businesses and residences will be maintained throughout construction activities.
- Please obey all posted construction signs and do not enter the construction work zone.

Construction is a dynamic process and information is subject to change without notice. Work activity is subject to weather conditions.

THE SIXTH STREET VIADUCT REPLACEMENT PROJECT will replace the existing, 3500-foot long viaduct with a structure that provides safer traffic and goods movement and incorporates exceptional bike and pedestrian access, eight acres of open and recreational space and public art elements. The project is expected to begin in Fall of 2015 and be completed in 2019. The $420 million project is being led by the Bureau of Engineering and is the largest bridge project in the history of Los Angeles.

MORE INFORMATION: General Information - 213.400.8398 | Media Inquiries - 213.978.0333 | Job Opportunities - 626.257.8976 or veronica.diaz@skanska.com
