BUILDING DEMOLITION (3)  
FOR VIADUCT CONSTRUCTION

As part of the City of Los Angeles’ Bureau of Engineering’s Sixth Street Viaduct Project, the contractor Skanska, Stacy-Witbeck and its subcontractors will demolish three (3) buildings acquired to accommodate Viaduct construction.

WHAT: Demolition of three (3) buildings

WHEN: Monday, July 11, 2016 through Friday, September 30, 2016

WORK HOURS: 7:00 a.m. to 4:30 p.m., Monday through Friday

WHERE:
- 600 S Santa Fe Ave
- 625 S Anderson St
- 638 S Anderson St

(See reverse for map)

WORK DESCRIPTION:
- Demolition of three (3) buildings
- Signage will be posted at each location prior to demolition
- Heavy equipment will be used

TRAFFIC IMPACTS:
- Parking will be restricted in the immediate area near demolition activity and signage with specific restrictions will be in place in all construction areas
- Intermittent street closures may be required
- Local access to businesses and residences will be maintained at all times

ADVISORIES:
- Directional signage and/or flagmen will be used to safely direct vehicles and pedestrians around the construction zone
- Please obey all posted construction signs and do not enter the construction work zone

Construction is a dynamic process and information is subject to change without notice.
Work activity is subject to weather conditions.
