EXTENDED CLOSURE OF 6TH STREET FRONTAGE ROADS
FOR VIADUCT DEMOLITION AND CONSTRUCTION

The City of Los Angeles' Bureau of Engineering and the Sixth Street Viaduct Replacement Project contractor Skanska Stacy and Witbeck (SSW) will be closing access to the 6th Street frontage roads between Santa Fe Avenue and Mesquit Street for Viaduct demolition and construction.

WHAT: Extended closure of the 6th Street frontage roads for viaduct demolition and reconstruction

WHEN: As early as Monday, September 19, 2016
(Roadway to be restored upon completion of construction)

WHERE: 6th Street frontage roads between Santa Fe Avenue and Mesquit Street
(see reverse for map)

TRAFFIC IMPACTS:
• 6th Street frontage roads between Santa Fe Avenue and Mesquit Street will be closed to through traffic
• Jesse Street between Santa Fe Avenue and Mesquit Street will be temporarily changed to Business Access Only

ADVISORIES:
• Directional signage will be used to safely direct vehicles and pedestrians around the construction zone
• Please obey all posted construction signs and do not enter the construction work zone
• Access to local businesses and residences will be maintained at all times
