Nighttime Lane Closures on 101 Freeway for Median Demolition

The City of Los Angeles' Bureau of Engineering and the Sixth Street Viaduct Replacement Project contractor Skanska Stacy and Witbeck (SSW) will complete the demolition of the median barrier on the 101 Freeway within the CalTrans right of way.

**WHAT:** Lane Closures on 101 Freeway for Median Barrier Demolition

**WHEN:** Thursday, January 12 and Friday, January 13, 2017

**HOURS:** 9:00 p.m. to 6:00 a.m.

**WHERE:** 101 Freeway between 7th Street and 4th Street

* Work zone is 400’ north and south of 6th Street. Lane closures start 2500’ to the north and south of 6th Street.

(see reverse for map)

**TRAFFIC IMPACTS:**
- Nighttime lane closures of the northbound and southbound 101 Freeway
- Two lanes (2) in each direction will be closed during this construction activity

**WORK DESCRIPTION:**
- Demolition of median barrier on the 101 Freeway
- Heavy equipment will be used including: excavators/backhoes, cranes, front-end loaders, trucks, concrete saws, and jackhammers

**ADVISORIES:**
- Directional signage will be used to safely direct vehicles around the construction zone
- Please obey all posted construction signs and do not enter the construction work zone
