

**SIXTH STREET PARK, ARTS, RIVER &  
CONNECTIVITY IMPROVEMENTS (PARC) PROJECT**  
**Environmental Review Process - We Want Your Comments!**

The City of Los Angeles, Bureau of Engineering is the Lead Agency for the environmental review process for the proposed Project. The City must consider the potential environmental effects of the proposed Project and reduce or avoid these impacts when possible. The City is preparing an environmental impact report (EIR) to discuss these potential impacts. We are now in the scoping phase where the City is requesting comments from regulatory agencies and the public on the Notice of Preparation/Initial Study regarding what environmental issues should be addressed in the EIR. Once the Draft EIR has been prepared, agencies and public will also be invited to review and comment.
