Election Day: November 8, 2016
Polls are open 6:00am - 8:00pm

Why Should I Vote?
Over the last 6 years, you’ve watched people all over the world put their lives at stake to elect their governments, to hold accountable those in office, and to make sure that the interests of the people guide the actions of the state. Here in the U.S., it’s your right to cast a ballot.

Whether you are interested in school improvements, better roads, or lower taxes; whether your priority is immigration reform or loosening restrictions on small businesses; whether you are concerned about government accountability, environmental protection, or U.S. foreign policy- the ballot box is where you get to choose your city priorities, your state laws, and our federal policies.
