In Appreciation

The Arab American Institute
11th Annual National
Arab American Service Day

May 16, 2015

As Mayor of the District of Columbia, it is my pleasure to extend my appreciation to the Arab American Institute, on the occasion of your 11th Annual National Arab American Service Day.

The Arab American Service Day is an opportunity for Arab Americans to partner with local organizations and charities to give back to their communities.

This year, in collaboration with the Neighborhood Farm Initiative, a community garden that serves children and adults of the Fort Totten area, volunteers will weed, dig, fertilize and mulch the farm, to prepare it for planting.

I join the residents of the District of Columbia in saying thank you and wishing you a wonderful Service Day.
