

Introducing Board of Directors Candidate...

# Joey Oberhoffner

From Calgary

## **What skills, abilities or experience will you bring to the Board?**

My skills are in governance, knowledge of political systems and structures, campaign planning, strategic planning, and communications.

## **What past accomplishments would you like to share that are relevant for helping our membership understand your value as a Board member?**

I served on the provincial board of directors for the Progressive Conservative Association of Alberta from 2012 to 2016. I have been a campaign strategist, a regional director, helped organize an AGM, have re-written constitutions and bylaws, and am a frequent moderator of town halls and election forums.

## **What do you hope to accomplish during your term on the Board?**

Hope is for those who fail to plan. I plan to help build the Alberta Party into a viable option for Alberta voters, and then into their party of first preference.

## **Give a brief profile of yourself:**

I am a Calgary-based public servant and small business owner, who has been involved in politics for 25 years. I enjoy reading, true crime, and winning a majority of Alberta's 87 Legislature seats.
