

Introducing Board of Directors Candidate...

Marty Foose

From Devon

What skills, abilities or experience will you bring to the Board?

With my marketing & sales background I know how to reach out to people, make connections & build relationships.

What past accomplishments would you like to share that are relevant for helping our membership understand your value as a Board member?

I've been in different roles and departments of the same company for over 30-years. I'm about loyalty & commitment.

What do you hope to accomplish during your term on the Board?

Bring some trust & integrity back into politics. Under promise & over deliver... instead of the other way round.

Give a brief profile of yourself:

I'm married with 2 daughters & up until a few years ago I could have cared less about politics. However, with what happened in the US and then right here in Alberta I can no longer stay on the sidelines.
