

Introducing Board of Directors Candidate...

Jeff McLarty

From Pincher Creek

What skills, abilities or experience will you bring to the Board?

I have gained many skills from owning my own business as well as having worked and volunteered in the not for profit sector for many years. I have significant experience in the areas of corporate operations, fundraising, creating volunteer networks and finance. Within the party I recently became Co-Chair of the Volunteer Engagement Committee as well as having been appointed as an interim board member for the party earlier this year. I helped charter my first Alberta Party Constituency Association in 2007 during the first Big Listen.

What past accomplishments would you like to share that are relevant for helping our membership understand your value as a Board member?

In the past I have worked with great teams to significantly increase fundraising success, volunteer recruitment and organize large groups to advocate for social change. I hope I can bring the skills and experience I gathered from other organizations to help the Alberta Party reach its full potential.

What do you hope to accomplish during your term on the Board?

I would be honored to be part of the team that makes the Alberta Party a serious contender in the 2023 provincial election. I will do whatever I can to make the party better everyday, whether it is knocking on doors or working on back end systems, I will do whatever I can to support moving the party forward.

Give a brief profile of yourself:

I am a father, business owner, passionate volunteer and proud Alberta Party member. I believe that by working together we really can make Alberta better for everyone.
