

Delivering the NDIS in
your community

Chat and Connect

We are here to support you on your NDIS journey ECEI in Community @ Woodlink State School

EACH Early Childhood Early Intervention NDIS Partner in the Community will be outreaching to the following Playgroups locations

Come “Chat and Connect” with a member of the EACH team.

Talk with EACH staff while your children play and also meet and engage with other families. Staff are available to answer questions, discuss child development, model interactions with children during play, and connect families to services in the community. We can respond to questions you may have relating to NDIS access, an existing plan, reviews, linking with providers, just to list a few.
