

Response received from Sustainable Australia (ACT)

We are a party from the political centre, and aim to secure an economically, environmentally and socially sustainable Australia and ACT.

You will find our ACT-specific policies here:

In terms of your specific questions, the answers are as follows:

1. Yes

2. Yes, this is a longstanding policy of Sustainable Australia outlined in both our ACT and federal policy platforms:

Federal: <http://www.votesustainable.org.au/gambling/>

ACT: <http://www.votesustainable.org.au/act>

3-5. No policy. We would fully examine all the relevant issues and consult with all community stakeholders prior to policy formation, if elected.

6. We are a party from the political centre, and aim to secure an economically, environmentally and socially sustainable Australia and ACT.

You will find our ACT-specific policies and priorities here:

<http://www.votesustainable.org.au/act>

This outlines that our top 3 ACT priorities are to:

- Save Canberra from over-development
- Lower rates
- Protect our trees
