Living Older  
Visibly and Engaged

**ACON's ageing initiative, the LOVE Project, has secured funding from the City of Sydney and we need your help.**

The funding supports a series of online and face to face community events supporting older lesbian, gay, bisexual, transgender, and queer (LGBTQ) to lead healthy, active, and more social lives.

Identifying the needs and preferences for older LGBTQ people, will be supported by a community advisory group. We aim to represent the diversity of our communities by inviting LGBTQ people 55 plus, including Aboriginal and Torres Strait islander people, People Living with Disability, Culturally and Linguistically Diverse people (CALD) and People Living with HIV (PLHIV), to join the advisory group.

This funding includes a gala annual event for older LGBTQ people to also be imagined by the advisory group. A sitting fee will be provided.

All the events will be delivered in partnership with the City of Sydney and local businesses.
