## **ACT FOR AMERICA DISAVOWS ROGUE VOLUNTEER ORGANIZER**

**(WASHINGTON, DC, 6/6/2017)** -- It has come to the attention of our organization that a volunteer organizer involved in the Arkansas "*March Against Sharia, March for Human Rights*" event has disturbing associations with white supremacist groups.

As soon as this information revealed itself to ACT for America, our organization took immediate action by canceling the event.

This individual is not in any way affiliated with *ACT for America*, and in fact, is directly antithetical to everything we, and these marches stand for.

Our organization was founded by a woman of color, and includes members of all faiths, political affiliations, and walks of life. This, in conjunction with our overwhelming support for the nation of Israel is directly contrary to the ideology embraced by this individual.

The June 10<sup>th</sup> marches are in specific opposition to the horrific practices contained in Sharia Law, which include Female Genital Mutilation, forced marriages, honor killings, and violence toward women and the LGBTQ community. Period.

We are proud that our marches will include Democrats, Republicans, Christians, Jews, Muslims and members of the LGBTQ community: individuals who put their differences aside in solidarity with the protection of the basic freedoms, and human rights afforded by our Constitution, and threatened by Sharia Law.
