## ACT FOR AMERICA DISAVOWS ROGUE VOLUNTEER ORGANIZER

**(WASHINGTON, DC, 6/8/2017)** -- ACT for America cancelled its June 10th “*March Against Sharia, March for Human Rights*” event in Arkansas when we became aware that the organizer is associated with white supremacist groups. This is against all of our values.

We have since learned that the organizer may go forward with an event anyway – billing it as a “*March Against Sharia*” event. Any event held by this individual is not sanctioned by ACT for America, and is not supported or endorsed by ACT for America in any manner. We regret any confusion that this individual’s actions may cause, and are working with our counsel to demand he cease and desist promotion of his event in a way that will confuse it as being sanctioned or approved by us.

We stand firmly opposed to any actions by individuals or organizations that seek to attack or intimidate based on race, religion, or sexual orientation. Our June 10th nationwide marches are in support of basic human rights for all – and against the horrific treatment of women, children, and members of the LGBTQ community that is sanctioned by Sharia law. **About ACT**
