

Stop Vaccine Mandates Pledge

To Minnesota citizens:

I, _____, pledge to the citizens of Minnesota:

- That I will not vote for a \$250 million Frontline Workers Pay bill unless it includes the Stop Vaccine Mandates Amendment to protect the jobs of healthcare workers and all other Minnesotans.

- I will not vote in a 2021 Special Session to suspend the rules or other procedural measures that advance the Frontline Workers Pay legislation without the Stop Vaccine Mandates Amendment attached to the bill.
